

INSTRUCTION TO VOTERS

The following general instructions aim to ensure that the election process is conducted smoothly, fairly, and in accordance with principles of democratic governance:

1. Members are expected to take the time to familiarize themselves with the candidates running for office bearer's positions by reviewing their qualifications, experience, and proposed plans or initiatives for the society and cast their vote to the suitable candidate.
2. **Follow Voting Procedures:** Follow the voting procedures outlined by the Secretariat office to ensure that your vote is properly recorded and counted. Members shall send the vote (through Google form) on the email mentioned below, only through his/her email registered with TAI.

3. **Respect the Election Process:** Respect the integrity of the election process and abide by any rules or regulations set forth by the society to maintain a fair and transparent election.
4. **Report any Irregularities:** If a member observes any irregularities or concerns during the election process, they may report them to the Secretariat office immediately for investigation and resolution.
5. **Accept Election Results:** Once the election results are announced, respect the outcome of the election, whether your preferred candidates win or not. Support the newly elected office bearers as they take on their responsibilities for the betterment of the society.
6. **Engage in the Society:** Stay engaged in the affairs of the society beyond the election by participating in meetings, volunteering for committees, and providing feedback to the elected office bearers to contribute to the growth and success of the society.
